HS2 delayed for 7yrs with £22bn on bill

HS2 could cost up to £22billion more than its previous budget and be delayed by SEVEN years, the company building the high-speed railway has admitted.

The future of the long-running project was thrown into doubt last month after it was revealed an independent review will consider if it should continue.

In a written statement to Parliament, Transport Secretary Grant Shapps (above) said HS2 Ltd chairman Allan Cook does not believe the project can be delivered within its £55.7bn budget, which was set in 2015 prices and equivalent to £62.4bn in today's prices.

It is estimated HS2 now needs a total budget "in the range of £72bn to £78bn" in 2015 prices, or £81bn to £88bn today, Mr Shapps said.

He also warned that Mr Cook doesn't believe phase one of HS2 can be delivered by 2026.

Man and teen held on terror charges

A MAN and a teenage boy have been arrested on suspicion of terror offences.

The pair, aged 62 and 16, were held – in a "pre-planned and intelligence-led" operation – at separate addresses in Rugby, Warwick, by the West Midlands counter-terrorism unit.

They are being questioned by police after being arrested on suspicion of the commission, preparation and instigation of acts of terrorism.

IMPACT: Prince Harry and Meg, his missus

Harry: I HAVE to fly in private jets

THE Duke of Sussex insists he has to fly by private jet – for the sake of his family.

Prince Harry has taken the gas-guzzling planes four times in 11 days and spoke about it as he launched a new sustainable travel initiative.

Project

And he claimed his flights – which take a huge toll on the environment – are OK because he can afford to pay to offset the carbon used.

The Duke flew to Amsterdam by a commercial flight yesterday to launch the project and told an audience: "We could all do better."

"I spend 99 per cent of my life travelling the world by commercial. Occasionally there needs to be an opportunity based on a unique

circumstance to ensure that my family are safe.

"It is about balance, and if I have to fly via private jet, then I will ensure, as I will always do, to balance out that impact that I have. I have always offset my CO2. In my mind, it's the right thing to do.

But claims that he flies by private jet occasionally to protect his family were met with disdain by many Twitter users.

One said: "Prince Harry: When I fly by private jet, it's to keep my family safe. Well lend me your jet so I can keep MY family safe, what a dumb comment."

Another added: "Prince Harry saying that he only flies private jet to protect his family is RUBBISH. It's just an excuse to travel in luxury! #Hypocrites."

'Muslim Slayer' caged for hate mail to Queen

A WHITE supremacist who sent the Queen fake anthrax with a note saying "The Clowns R coming 4 you" has been jailed.

David Parnham, 36 (above) – who called himself "Muslim Slayer" – was sentenced to 12 years and six months, to be served in hospital until he is well enough to be transferred to prison.

He was behind the 'Punish a Muslim Day' series of letters which offered financial rewards for violent attacks, and sent packages of white powder to high profile figures as well as a string of mosques, the Home Office, and the Bank of England.

In his letters to the Queen and former PM Theresa May, Parnham wrote 'The clowns R coming 4 you', while the powder – later proving to be harmless – sent to David Cameron sparked a full-scale terror alert at Parliament, the Old Bailey heard yesterday.

Parnham admitted sending the series of letters from his home in Lincoln between 2016 and 2018, after being traced through his DNA.

Minge-heavy council fined

LOCAL authorities in a French town have been fined £82,000 for putting too many women in management positions.

Bourg-en-Bresse local authority received notice of the sanction last week.

The prefecture slammed it with the fine for breaching France's 2017 law on gender parity which stipulates that the ratio of men to women in public services must be no more than 60/40.

Bourg-en-Bresse was found to have hired women in four of its five management posts.

Jean-Francois Debat, socialist mayor of Bourg-en-Bresse and head of the collectivité in question refuted the fine.

"I think it's cheeky to be sanctioned for this motive," he told Europe 1 radio.

DEAL FOR NO-DEAL: Boris

Farage names price for election pact with Tories

NIGEL Farage says he will help Boris win an election – if the PM agrees to abandon any hope of a deal and seeks a No Deal Brexit.

The Brexit Party is ready to stand with the Prime Minister, he told Mr Johnson last night, but only if the Withdrawal Agreement

By COLIN HURST
news@sundaysport.co.uk

which was negotiated by Theresa May is abandoned.

But the party leader said his team are "ready to go" if a snap election is called before October 31.

Candidates are primed and ready to fight for every seat across the UK, he claimed,

with the possibility of a non-aggression pact on the table with the Tories.

But Mr Farage said the two parties would only team up if the current deal was scrapped.

Backstop

He said that only either a completely new deal with Brussels or a No Deal Brexit would be acceptable.

Mr Farage said: "If Boris

Johnson says the withdrawal agreement can stand, we don't.

"At the moment, he is suggesting no change at all to the withdrawal agreement other than the Irish backstop. This is not acceptable."

Mr Johnson is convinced the only way to break the Brexit deadlock before October 31, when the UK is due to leave the EU, is by holding an election.

TORY MP IN LEAVE TOWN DEFECTS

BORIS Johnson lost his tiny Commons majority yesterday when Tory MP Phillip Lee defected to the Liberal Democrats.

That move left Boris leading a minority government as he tries to steer Brexit through Parliament.

Despite the Lib Dems coming third in Lee's Leave-voting Bracknell with fewer than 4,000 votes, constituents now have a Lib Dem MP.

After 27 years as a Tory and 12 as an MP Lee said: "The party I joined in 1992 is not the Party I am leaving today."

In a statement he took a blast at Boris, saying: "This Conservative Government is aggressively pursuing a damaging Brexit in unprincipled ways."

"It is putting lives and livelihoods at risk unnecessarily and is endangering the integrity

of the UK. It is using political manipulation, bullying and lies."

He said the Lib Dems – who back another referendum on Brexit and want the UK to remain in the EU – were best placed to "heal the divisions" and "overcome the challenges we face as a society."

Dr Lee's decision to cross the floor was greeted with cheers on the opposition benches.

BELLA'S BOOBED!

Disney star's knocker falls out!

GINGER beauty Bella Thorne made a right tit of herself – when her boob fell out in the middle of the street!

The former Disney babe, 20, was snapped in LA walking out of a restaurant with a pal.

But as she walked past a waiting snappa her unbuttoned blouse flapped open, revealing her pert left boob and lovely pink nipple.

Little Bella seemed completely unaware her knocker had bounded free of her shirt and carried on walking with it out for all to see.

One lucky fan, who was right there at the moment Bella's buster broke free, said: "I can die happy now."

KRISTEN'S LESBO MOVIE WARNING

KRISTEN Stewart says she was told to stop touching her lesbian girlfriend in public if she ever wanted to land a role in a Marvel movie.

The Hollywood star (right), who was in an on-off relationship with model Stella Maxwell for two years, said she was "informed by an old-school mentality" of keeping certain things about her personal life a secret.

Kristen, 29, said: "I have fully been told, 'If you just like, do yourself a favour, and don't go out holding your girlfriend's hand in public, you might

get a Marvel movie'.

"I don't want to work with people like that."

Kristen was previously in a relationship with her male *Twilight* co-star Robert Pattinson.

'Yanks enjoy Python more than Brits do'

JOHN Cleese believes there is more love for Monty Python outside the UK because home based journalists seek to "write off" its success.

The actor and writer (above), 79, said the series is not "going very strong" in the country where it was first launched.

Cleese said the BBC series hasn't been shown by the broadcaster for decades, and questions the British attitude to its stars' collective comic creation.

He said: "It's not really going very strong - one needs to point that out because, for reasons that I'm not very clear about, the BBC haven't put us out on terrestrial television for the best part of 20 years."

"The moment you have a success in Britain, journalists try to write it off."

"For a long time there was that kind of ingrained negativity. As a result, I find that there's a lot more enthusiasm for Python in America, Canada and Australia than there is in the UK."

Over 400 are nicked being plane drunk

MORE than 400 airline passengers have been arrested for being drunk in the past two years.

Drunken travellers who sexually abused staff, urinated in public and were too intoxicated to fasten their seatbelts were among those held, police data shows.

Figures obtained following freedom of information requests show at least 245 people were arrested on suspicion of being drunk at an airport in Britain between 2017 and 2019.

A further 204 arrests were made relating to drunkenness on planes.

Passengers convicted of being drunk on an aircraft face a fine of £5,000 or up to two years' imprisonment.

The ages of those held ranged from 20 to 58.

JANE Austen's unfinished novel *Sanditon* has been turned into a period drama by ITV.

But you may not be aware of this as the channel, in its wisdom, put the new show head-to-head with *Peaky Blinders*.

It's the usual period drama fodder - bonnets, britches, swooning, etc.

Author Jane was famous for her prosaic language (see above!) but she always avoided sex. Unlike us!

So here are the leading ladies of *Sanditon* with their knockers out!

Man slapped bank clerk's bum and got fruity

A WOMAN bank clerk was shocked when a customer slapped her on the bottom and said he'd like to smear her body with strawberries and cream, a court heard.

Paul Challenger, 52, had gone into the Barclays branch on May 17 to complain about a letter advising him of new bank charges – but he soon started chatting up the woman employee.

Prosecutor Michael Hall said he began making comments to her “of a sexual nature” and even tried to ask her out on a date.

“She replied, ‘That’ll never happen’ and eventually Challenger left – only to return at 12.15pm the next day.

“The woman felt a hand on her shoulder and Challenger said to her ‘I know your secret hiding place’ and suggested that he would like to rub strawberries and cream down her body, before he smacked her on the bottom,” said Mr Hall.

Defending Joe Maloney said: “Challenger regrets what he has done. He has since closed his account with this branch of the bank.”

At Gloucester Crown Court Judge Michael Cullham sentenced Challenger to 12 months in prison, suspended for 18 months.

Solicitor was 17 times over drug-drive limit

A SOLICITOR high on crystal meth has been banned from the roads after being caught nearly 17 TIMES over the legal drug-drive limit.

James Owo was pulled over in his Mercedes by cops on January 21 as he drove along the A27 in West Sussex.

They noticed a “pungent smell” of cannabis and found a bag of crystal meth.

Owo, 52, of Stockwell, south London, denied he had taken any drugs, but was found guilty of drug driving, driving with no insurance, possession of cannabis and meth.

He was banned from the roads for 15 months by South London JPs.

A police spokesman said Owo was “so high” he couldn’t put his tongue back in after his mouth was swabbed and that “he was found to be almost 17 times the limit”.

SEXY BLONDE TEACHER PROMISED LAD, 15, A ‘MAJOR F**KING’

JAILED: Lydia Beattie-Milligan

She bought sexy underwear & shaved her pubes for hotel tryst

You can Cici her nipples!

THE SEXY blonde waitress from Channel 4's *First Dates* has revealed her boobs to the world!

Stunning Cici Coleman has won an army of fans from her role on the show but usually keeps her rack under wraps.

But while promoting underwear range Curvy Kate yesterday the 32-year-old showed off her nipples in a sexy see-through bra!

A MARRIED teaching assistant who groomed a pupil and planned to give him a “major fking” has been jailed.**

Lydia Beattie-Milligan, 43, was “sexually attracted to” and “infatuated” with the boy, Liverpool Crown Court was told.

She then arranged to meet him in a hotel so she could have sex with him, telling a friend she had shaved off her pubes and bought sexy underwear for the encounter.

On texts to a pal the mum-of-two also said she planned a “major f**king” but the friend believed she was talking about an adult man.

But concerns arose when a member of staff noticed she was paying the boy particular attention and “acting too familiar with him”.

The boy showed him his mobile phone with messages arranging the Saturday night hotel rendezvous.

Beattie-Milligan denied arranging to meet a child following sexual grooming, but was convicted and caged for two years yesterday.

Infatuated

Sentencing her, Judge Gary Woodhall said: “It’s clear to me you were sexually attracted to this boy, you were infatuated with him and you were encouraging similar feelings within him.”

“You referred to trimming your body hair, you said you were going to make sure you were looking amazing, that you were going to do a lap dance for him and get some sexy underwear and in your words – not mine – in one text saying ‘major f**king going on’.”

By COLIN HURST
news@sundaysport.co.uk

The defendant sent the boy sordid text messages, including that she couldn’t sleep or eat as she was “thinking about him”.

“OMG I cannot stop thinking about you, but I know it is wrong,” one text from her read.

“Can’t wait to see you tomorrow,” another read.

But during the trial, Beattie-Milligan, of Lydiat, Merseyside, said: “I have 100% no interest in children in a sexual way.”

Cheryl Mottram, prosecuting, told the court that a colleague believed Beattie-Milligan – described by a friend as “Mrs Robinson” from the film *The Graduate* – was meeting an agency teacher at the hotel, with whom she had been in a relationship and would exchange flirty messages.

Beattie-Milligan, of previous good character, was supported by her husband – who sat in the public gallery – during the trial.

Piers lays into Strictly same sex shame MP

GOOD Morning Britain host Piers Morgan has clashed with a DUP MP who said same-sex couples shouldn't be allowed on *Strictly Come Dancing* because it would be too "challenging" to watch. Jim Wells said the BBC should not let two people of the same gender dance together on the hit programme after the Beeb said it was "completely open" to having same-sex couples competing on the show in future.

Mr Wells said: "You've had a busy week, you sit down with the family and you watch pure entertainment. 'The last thing you want is to be challenged.'" Morgan, 54, (above) asked what time Mr Wells thinks gay couples should be let on TV, to which he said: "Exactly the same time as the BBC thought two years ago, 9pm." Morgan then told him: "You're just an old bigoted dinosaur!"

GoT stars robbed by monkeys!

GAME of Thrones babes Emilia Clarke and Rose Leslie were mugged by MONKEYS as they enjoyed a holiday together in India.

According to an Instagram post shared by Emilia – who played Daenerys Targaryen in the show – the pair were “robbed blind by monkeys” on their travels.

But unlike their feisty fictional counterparts, she said: “We hardly put up a fight.”

A gallery of their vacation snaps included a photo of the offending animals.

At least four monkeys appear to have entered their hotel room and were nabbing fruit from a bowl on their coffee table and paper off a desk.

While the pair didn't share time on screen in *Thrones*, Rose – who played Ygritte – is married to Kit Harington (Jon Snow), Emilia's love interest in the series, and the women have clearly become close friends.

“Rose Leslie has my heart and soul wrapped up in hers,” Emilia wrote in one hashtag.

Robostrippers' nightclub first

The world's first robot strippers are about to make their debut at a French nightclub.

Two robot dancers, wearing high heels and topped with a CCTV camera for a head, will perform at the SC-Club in the French city to celebrate its fifth anniversary next week.

The bots are the brainchild of British artist Giles Walker, who has overlaid their metal bodies with parts from plastic mannequins.

Referring to their CCTV camera heads, he said the robots aim to “play with the notion of voyeurism”, posing the question of “who has the power between the voyeur and the observed person”.

He came up with the concept a decade ago, and has toured and loaned out the robots over the past few years.

WHAT THE HUQ?

TV viewers' fury at telly babe's Brexit beheading outburst

By COLIN HURST

news@sundaysport.co.uk

SEXY telly babe Konnie Huq has been slammed by viewers after ranting about post-Brexit decapitations.

The former *Blue Peter* presenter lost it on *The Jeremy Vine Show* during a debate with journalist Mike Parry.

Confused viewers accused Konnie of "screeching" at Parry, who argued that Britain must leave the EU on October 31 regardless of the consequences.

Konnie launched her tirade at him, shouting: "Mike, would you want Brexit to happen now if suddenly the new term was that everybody's head gets chopped off?"

He replied "no", before the Konnie, whose nipple once popped out in the street, hit back.

"But why? People voted for it. Why are you changing the goalposts? I'm saying you can leave the EU, you just have to have your head chopped off."

Continuing her rant, Konnie added: "Do you not understand?"

Looking confused, Parry replied: "I'm sorry, that's a nonsensical question."

Viewers complained that the references to decapitation were in bad taste, and the bizarre comparison left little room for genuine debate.

One said: "The only one who has lost her head here is Konnie Huq."

Another said: "Ofcom complaint submitted. Cutting off heads? Really? Not a joking matter."

She's got a nice head. Not much, but it's there. Totally deranged.

CRAIG FORGIVES BO' SELECTA

SINGER Craig David has finally forgiven TV funnyman Leigh Francis for the *Bo' Selecta!* show which poked fun at him.

The 38-year-old singer (right) – who shot to fame with his 2000 album *Born To Do It* – was mercilessly mocked on the hit C4 comedy show which started in 2002, at the height of his fame.

In the show, the *Fill Me In* singer is shown with a huge chin and a drawn-on beard with massive headphones uttering catchphrases

like: "Proper Reet Bo," and, "Proper Bo, I tell thee."

He is also shown visiting his doctor to get help for wetting the bed in the night.

At the height of his fame, Craig David sold more than 13million records globally and was nominated for 12 BRITs and two Grammy Awards.

However, Craig said he'd "loosened up a little" now he was older and had forgiven Leigh Francis, aka Keith Lemon.

He said: "I feel like I'm getting younger in my heart. I'm starting to loosen up a little."

"I have 100 percent forgiven Leigh Francis for *Bo' Selecta!*"

Daytime TV natter-fest babes are bustin' out!

By SUZIE SHELDON news@sundaysport.co.uk

TWENTY years ago this week the nation switched on their TV sets to a shocking new programme – *Loose Women*.

But blokes hoping it would be a daytime show about ladies with low morals discussing their sex lives were rather disappointed.

Because despite its name, ITV's *Loose Women* was more about middle-aged women banging on about the menopause and giving their opinions on the day's news.

But while it may be more about caterwauling ladies than nymphs, the show has had some very sexy guests and co-hosts over the years.

Here's a raunchy photo collection of its sexiest ever stars...

Brazil leader bans Bic in wildfire row

BRAZILIAN President Jair Bolsonaro says he will stop using "French" Bic pens after criticism from French President Emmanuel Macron over the Amazon wildfires.

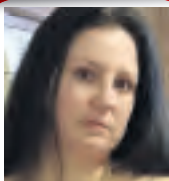

The far-right leader has previously been pictured brandishing the low-cost ballpoint pens when he signs official documents as a symbol of his modest presidential lifestyle in comparison to that of his predecessors.

"A Compactor pen (a Brazilian brand), instead of Bic, will do the job," Bolsonaro said last week.

He had previously made remarks about the brand on Facebook live a day earlier when he said he'd no longer use Bic "because it is French".

While Société Bic is based in Clichy, France, most of the Bic ballpoint pens sold in Brazil are made in the company's factory in the Brazilian city of Manaus.

Calls for ban on pigeon rolling

ANIMAL rights activists are calling for pigeon rolling contest to be banned.

The event is traditionally held at the Harrow Fair in Essex, Ontario.

But after filming a video of pigeon rolling which went viral, Jo Bulm is calling for a ban.

She said: I understand it's a tradition and that it's an attraction that draws people to come to the Harrow Fair. However, traditions are outdated, and this one absolutely is."

KILLER: Gilbert as a student (main pic), as a trusted nurse (above) and now (below)

KRISTEN Gilbert's origins were as unremarkable as anything else on the surface of her life.

She was born Kristen Heather Strickland in 1967 and raised in a nuclear family of a working dad and homemaker mother in the Fall River, a quiet area of Massachusetts.

A gifted student, Gilbert was a member of the Maths Club and ultimately studied her way into nursing.

But at the same time, she was something of an "oddball", friends and former boyfriends recalled her as manipulative and she reportedly lied a lot, too.

By JUSTIN DUNN news@sundaysport.co.uk

While studying at Bridgewater State College in 1984, a young Gilbert suffered psychiatric episodes in which she made violent threats against herself and others.

She once even left an ex-boyfriend a note in which she claimed to have eaten glass and lied about a suicide attempt.

Kristen went on to get her nursing degree at Greenfield Community College in 1988 when she married Glenn Gilbert and began working at Northampton's Veteran Affairs Medical Centre.

Her work at the Northampton was rewarding, challenging, and exciting. Her co-workers liked

her and she organised a yearly gift exchange for disadvantaged families.

Affair

Meanwhile, she and her husband had two children and Gilbert maintained a burgeoning social life.

Her superiors at the hospital were pleased with her capability and her work.

All should have been well, but that kind of life – perhaps – was not quite up to Gilbert's standards.

After being assigned to the night shift, Gilbert began an extramarital affair with a hospital

They the

PRETTY, popular, and smart, Kristen Gilbert's seemingly blessed life hid a damning secret...

On the face of it she appeared to have it all – a good nursing job, a loving husband and children.

Down to her blonde bob hairstyle, Gilbert was virtually indistinguishable as the typical mum in the Massachusetts suburb she called home.

But her facade of an ordinary working mother covered a much more unusual life – one of duplicity and killings.

Convicted on four counts of murder, it's possible the victims Gilbert left in her wake numbered even more...

CAGED: The medical centre where Gilbert is detained

security guard, James Perrault – an Army vet of the Gulf War.

"After a few weeks of just flirting back and forth, we were down at the hospital, and after the hospital closed, I walked her out to her vehicle and we had a kiss," said Perrault.

Their forbidden work romance blossomed amidst all the dramas at the hospital – which also often involved Gilbert.

Perrault had become aware that the pretty night nurse was on duty for some of the hospital's most distressing events.

It's likely he'd heard the rumour that Gilbert

was on duty for many deaths at the hospital and that colleagues jokingly dubbed her "The Angel of Death".

The nickname was chillingly spot on – later it was estimated that she was on duty during half of her ward's 350 deaths in a seven-year period.

The odds of that being an accident are one in 100 million.

Gilbert may have feared that the illicit nature of her affair wouldn't be enough to keep their hearts beating for one another, and began to manufacture scenarios – possibly to

called her Angel of Death

HOME OF DEATH:
Northampton's

Medical Centre

impress Perrault. Maybe she was aroused by watching life slip away as she administered epinephrine to healthy hearts – essentially adrenaline – exciting the hearts to pump out of control.

Or maybe she just basked in the attention of swooping in and restoring life.

Regardless of her intent, Gilbert's crimes were clear.

Dissolved

Meanwhile, Gilbert's marriage dissolved – in more ways than one.

She began to prepare home-cooked meals laced with a drug to increase her husband's frequency of urinating.

Before her trial, prosecutors claimed that Glenn Gilbert told one witness that his wife was trying to have him "out of the house by Thanksgiving".

Glenn Gilbert began

to get sick. He was taken to an emergency room by his wife though to no avail, and he fell ill again just a week later.

She tried to poison her husband while he was receiving care at Cooley Dickinson – a local civilian hospital.

Gilbert said she wanted to take a blood sample of her husband herself and have it tested later at the hospital where she worked.

One syringe was filled with a clear liquid and Kristen told her hubby it was just a saline solution.

But as soon as she inserted the needle, Glenn reported that "his arm grew cold" and when he tried to pull away from his wife she "pinned him against the wall with her hip".

He survived the incident, though not without reservations about his wife.

And he was quite right – shortly after he was released from hospital, Kristen left her hubby and kids for Perrault.

Gilbert's presence around death in the hospital didn't stop.

In late July 1995, Stanley Jagodowski, 66, was admitted to the hospital for post-operative bowel obstructions.

He required only oral medication, but a nurse reported seeing Gilbert enter his room with a syringe.

The nurse said she heard the patient cry in pain just before Gilbert left his room.

He died of cardiac arrest later that night. But no-one could believe that the smart, controlled, and pretty young nurse could be capable of murder.

Even when a delusional war veteran refused treatment in her ward because of the rumour that "people are dying

around here for no reason... the patients are talking about it, the staff are talking to the patients about it," Gilbert still went unsuspected.

The man was, after all, unwell. But not unwell enough.

He was later injected and killed by Gilbert, his attending nurse.

Allegations of abuse when she was a home health aid, violent threats, and a pattern of manipulation all swirled around Gilbert's head as the investigations into the deaths of the veterans began.

Suicide

Nurses filed a formal inquiry in February 1996 based on their suspicions of her involvement in the deaths of two patients.

By then, Gilbert had quit her job and was institutionalised for a suicide attempt.

From the psychiatric ward, she called Perrault and declared: "I did it! I did it! You wanted to

know? I killed all those guys by injection."

Perrault went to the police and in a frenzied response, Gilbert made a bomb threat at the hospital.

Of the many patients she had injected, Gilbert was found to have successfully murdered four former soldiers – Henry Hudon, Kenneth Cutting, Edward Skwira, and Stanley Jagodowski – with epinephrine.

But prosecutors suspect there were many more murders which went undetected. She was convicted on March 14, 2001, of the first-degree murder of three veterans, and of the second-degree murder of another vet.

Gilbert narrowly escaped the death penalty – ironically by lethal injection – but got four consecutive life sentences, and the "Angel of Death", now aged 51, will spend the rest of her days behind bars at the Carswell Medical Centre in Texas.

KILLED BY A COCK!

**Angry

PECKS
woman
to death**

A WOMAN has been killed by a furious cockerel after the angry bird attacked her while she was collecting eggs.

The elderly victim was in her chicken coop when tragedy struck in southern Australia.

The cockerel became agitated after being disturbed and attacked the woman, pecking furiously at her ankles.

Its beak punctured one of her varicose veins before she bled to death.

The victim's details have been withheld to avoid trauma to her family.

The incident has since sparked a warning about how "harmless animals" can kill.

Scratched

Adelaide University forensics expert Prof Roger Byard claims another elderly lady died in similar circumstances after a cat scratched her leg.

Prof Byard wants to help doctors conducting post-mortem exams and to warn people about hidden dangers.

He said: "I'm trying to get elderly people who have varicose veins treated with a simple operation as they are

By COLIN HURST
news@sundaysport.co.uk

especially vulnerable to being broken.

"It is not just down to animal attacks, because we have done studies that show people have just been around their homes and bled to death by knocking their leg – and the vein – on something."

"Cats, for example, are a very common tripping hazard for the elderly around the house, that they may never think of."

"Cats like to rub against ankles and legs, as well as sit behind people and this commonly leads to tripping injuries in the elderly."

KILLER JOANNA DENNEHY

#HOT'N'HO

HOTTIE Holly Gibbons says the best way to indulge in kinky ANAL SEX is to take things nice and slow and build up with lots of foreplay.

The Brighton-born babe, 29, says regular sex is the perfect start and the ideal build-up to saucy bum fun.

Holly, who boasts a 32E pair of norks, said: "It's best to start off having vaginal sex first.

"I like reverse cowgirl because it totally works by hitting the right spot to help me climax.

"I think it's really good for blokes, too – mainly because it's a bit like doggy for them, but they can lie down.

"It's lazy man's sex and they get a delightful view of their girl's bottom, too.

"Foreplay is so important – kissing and stroking my breasts and also rubbing my clit.

"Then I like the man to tell me what he's going to do next – starting with putting a finger in my bum, and then another.

"The most important thing is to start slowly and slide it in a little at a time.

"The trick is just to take everything very, very slowly with anal sex."

HARRY POTTY!

**School bans wizard books...
saying they contain REAL MAGIC**

A SCHOOL has banned Harry Potter books from its library saying they contain real magic spells.

Students at St Edward Catholic School in Nashville, Tennessee, will no longer be able to borrow copies of J.K. Rowling's series.

According to an email sent to the parents of students, the Reverend Dan Reehill made the controversial decision after consulting with several exorcists in the US and Rome.

They concluded that the spells and curses described in the books are "real" and "risk conjuring evil spirits" when read aloud.

The incredibly popular book series follows titular character Harry Potter as he discovers he is a wizard and goes off to learn magic at Hogwarts school.

Along the way, he and his closest friends, Ron and Hermione, often face great danger and have to make potions and cast a number of different spells and charms to save the day.

And while many of the characters use their magic for good, Reehill believes it's all a "clever deception."

Writing in his email, he explained: "These books present magic as both good and evil – which it not true, but

By COLIN HURST
news@sundaysport.co.uk

is in fact a clever deception.

"The curses and spells used in the books are actual curses and spells which when read by a human beings risk conjuring evil spirits into the presence of the person reading out the text."

Rebecca Hammel, a superintendent of schools for the Catholic Diocese of Nashville, confirmed the Reehill had sent out this email and that he has the final say on the matter.

Authority

She continued to say that the Catholic Church does not have an official position on the *Potter* books.

"Each pastor has a canonical authority to make such decision for his parish school," she added.

"He's well within his authority to act in that matter."

However, she did add: "Should parents deem that this or any other media be appropriate we would hope that they would just guide their sons and daughters to understand the content through the lens of our faith."

Recycling cash is rubbish idea

A MAN who accidentally tossed £19,000 into his recycling bin has been reunited with his cash after a recycling worker spotted the shoebox stuffed with money.

When the man from Ashland, Oregon, realised his mistake last week, the recycling bin had already been emptied into a truck bound for the Recology sorting facility in Humboldt County some 200 miles away.

The facility's manager said most recyclables from the truck had been sorted by the time the man contacted them.

But staff were told to look out for the box.

Someone spotted it down the sorting line and recovered all but £260.

LITTLE NAPOLEON WANTED FOR 200th ANNIVERSARY

TOURISM officials on St Helena are searching the world for a "shortish" man to play Napoleon.

The island is a British overseas territory in the middle of the south Atlantic, where the French leader was exiled after his defeat at Waterloo.

And to mark the 200th anniversary of his death there in 1821 tourist bosses want a lookalike to take part in ceremonies.

Candidates are expected to be "well presented and have the ability to engage with individuals at all levels, especially dignitaries" at events to mark the anniversary of Napoleon's death on the volcanic outcrop.

Sophia Joshua, St Helena's tourism officer, said: "We're looking for someone on the island who will do this on an ad hoc and voluntary basis. The anniversary programme is still being finalised but there will be a lot of events. We hope to attract tourists to the island."

Nicked mum tried to play her teen girl

A MUM stopped in her car by cops claimed she was her 20-year-old daughter when they arrested her.

When Heather Garcia, 38 (above), was pulled over, cops found she had drugs on her and was driving without a licence.

But she pulled out her daughter's ID and tried to claim she was 18 years younger.

Despite her bizarre make-up officers did not fall for it and added false representation to the list of charges.

The arresting officer said: "I noticed a silver BMW pull in front of me that did not have a licence plate."

A police dog smelled something in the woman's purse and cops found remnants of a white powder that field tested positive for methamphetamine.

Also in her purse was a pipe with white powder and burn marks and inside the pipe was a substance consistent with the appearance of methamphetamine.

Ikea tells mass hide & seekers 'flatpack it in'

POLICE were called to an Ikea store after thousands of people threatened to turn up for a mass HIDE AND SEEK contest.

Staff at the Swedish furniture store in Braehead, Glasgow, became aware of a Facebook thread suggesting some 3,000 youths were about to descend on them.

As well as drafting in extra security, Ikea contacted the police, who dispatched five officers.

Throughout the day, groups of youths who looked like they were only there for the game were turned away from Ikea.

Word also spread on social media that the hide and seek game had been shut down – meaning many more stayed away.

The social media post suggested the game to start at 3pm, before plans were halted.

One Facebook user posted: "This event is not organised by Ikea and they won't let people in."

BUSTY MISS SENT TEEN 'OPEN FANNY' VIDEO

CHARGED: Walton

A RANDY teacher sucked off a teenage student after sending him a video of her showing her played-open FANNY!

Big-boobed Kara Walton, 33, is charged with a string of offences, including participating in a sex act with a student, taking indecent liberties with a pupil and furnishing a minor with pornography.

Walton – a teacher at Pamlico High School in North Carolina, until she recently resigned over a

separate matter – performed sex acts on the lusty teen during the summer holiday, police said.

It's believed the 36EE beauty filmed herself sucking off the 16-year-old lad and the footage was described by one detective as "high end pornography".

District Attorney Scott Thomas said: "Sheriff Davis and his investigators have worked closely with my office during the course of the investigation."

"Pamlico Co Schools cooperated with the investigation. Based upon the evidence obtained during the course of the investigation, we have charged Walton with felony sex act with a student and felony indecent liberties with a student."

News of Walton's charges upset parents including Melissa Lugo, whose children attend Pamlico High School.

Mrs Lugo raged: "I felt fear – fear for the other children, and fear for my kids."

The Pamlico Co School District says they learned of the allegations against Walton on June 14 – three days after school ended and they turned it over to the Sheriff immediately.

The Director of Student Services for Pamlico Co Schools, Henry Rice, said: "We take all allegations of this type very seriously. Anytime anyone feels there is any situation they are uncomfortable with, approach the principal of that school."

It's believed Walton was collared after her victim passed the video of the teacher fingering

her minge to a pal and he showed it to a parent – who then alerted the school authorities.

Not so Little nips!

LITTLE Mix lovely Jesy Nelson was clearly very excited to be walking down the street – her erect nipple is on show!

The 28-year-old had just finished an interview on Heart FM when she was snapped wearing a tight jumper in Leicester Square.

And she either wasn't wearing a bra or was extra specially aroused because her left nip was on show.

A fan said: "Jesy is my favourite one out of Little Mix. I think she'd try just that little bit harder in bed."

OAP spikes churchgoers

A PENSIONER has been charged with criminal recklessness after giving biscuits laced with CANNABIS to fellow churchgoers.

The unnamed 74-year-old baked and took the "space cakes" to St John's Apostolic Catholic Church in Bloomington, Indiana, where six worshippers ended up in A&E after suffering "adverse effects".

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'VE been banging my boss for the last few months. I'm 23 and she's 45, blonde, with a decent body and a big pair of tits. I first knobbed her when we were away at a conference. She knocked at my hotel room door wearing stockings and sussies. It wasn't long before I was spunking down her gob. I then licked out her bald fanny before boning her. She took my rock-hard eight-incher to the back of her throat and gave me an expert blowjob until I shot my load. She's filthy in bed and loves to be tied up, spanked and f**ked. The problem is that she now wants a threesome with another lad in the office. He's OK, but he swings both ways and she wants to watch him f**king me! If I agree she said I will get the promotion I've been after for ages. If not, she'll sack me. What should I do?

EN, Essex

Ashleigh says....
WHAT A pain in the arse! You must decide if this job is worth the agony!

Dear Ashleigh,

I'M a 19-year-old student and I've been working part-time at a service station, where I copped off with a lovely bubbly blonde. We've done all sorts - shagging down the park and while watching porn films together. We had a party when she moved in to a new flat and her mum came around. She's a dirty tart and proved it by being all over the lads. She went out back with some of them and they told me she'd given them each a nosh. We'd all had a lot to drink and my girl slipped off to bed, leaving her mum fondling the cock of a pal. She winked at me and pulled up her top so I could get a grip of her milkers. I started sucking on her tits and she yanked down my pants and gave me a blowie while my pal rode her hard and fast from behind. Her daughter doesn't know what happened that night, but I'm now a bit scared she'll find out. What should I do?

TF, Newcastle

Ashleigh says....
DENY everything, because she won't want to believe it of her mum.

Son's pal filled me up

Dear Ashleigh,

I'M a 40-year-old highly-sexed married woman and until recently I had been faithful in 19 years of marriage. It was my son's 18th birthday and we had a small bash at home for the family, his girlfriend and his 19-year-old pal. At the end of the night my hubby, who wasn't drinking, took my parents and my son's girlfriend home, and my son went with them. This left me with my son's dishy mate who was tired and a bit bladdered. So I put him to bed and undressed him, gazing in awe at his big cock. Then his hand ran up my leg to the top of my stockings and I relaxed as his fingers found their way inside my thong and into my pussy. I couldn't resist his knob and sucked him off. He then put me in the doggy position and filled every inch of me.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Garden plants and pretty blonde got a good hosing!

Dear Ashleigh

I WAS spraying my back garden plants with my hosepipe when the woman next door came up for a chat over the hedge.

She's a decent-looking blonde and in great shape for her age – in the mid-forties – with a lovely pair of boobs.

The sun was shining straight through her skirt and I could see she didn't have any knickers on.

I started to get hard and by accident let go of the hosepipe which drenched her.

Her clothes clung to her and I could see her big nipples pushing through her top and neatly-trimmed bush through her sopping skirt.

By then there was no hiding my raging hard-on and she asked if I'd like to spray her with anything else, the saucy old mare!

In my haste to get my hands on her, I trampled my best plants – but that's another story.

Before I knew it she'd got her mouth round my bellend and was licking it with her tongue.

I was gripping at her boobs and arse with my hungry hands and slowly worked my fingers into her dripping pussy.

She then took her mouth off my cock, lay back on the grass and

invited me to slip my swollen cock in her – right up to the back axle.

So I was soon pounding away like a runaway train, and she was chuffing away, having orgasm after orgasm by this time.

I finally pulled out and let off the lot – all over her face.

The trouble was that I'd forgotten to turn off the hosepipe and somehow it had angled itself to spray into her back door and flooded the bloody kitchen.

Now she won't talk to me.

What shall I do?

PN, Lanes

Ashleigh says...

KEEP your hosepipe in your own garden.

Dear Ashleigh,

LAST week a car crashed into mine on a quiet country lane, and the woman in the other vehicle was a real stunna.

As we waited for help, she suggested a quick shag to pass the time.

As I was about to come she made me admit the accident was my fault – and now she's landed me with the bill.

Is this right?

PG, Kent

Ashleigh says...

PAY up, you idiot!

Dear Ashleigh,

I'M 19 and have always been quite fascinated by much older women.

A few weeks ago I was in my local having a few jars when I noticed an attractive brunette alone at the bar.

I offered her a drink and we chatted for a while before ending up at her place for a few more drinks.

She told me she was a divorcee of 46, but she didn't look it.

This MILF had massive 34EE tits, which I simply couldn't wait to get my gob round.

She got out my raging hard shaft and began sucking until I blew my load in her face.

Then she grabbed my hand and led me to the bedroom.

The cougar threw me on the bed and stood over me, frigging her wet pussy.

Then she jumped on top of me and went for gold as she rode my rod.

She came a staggering four times – in 20 minutes.

And she brought me hard again in no time with a sloppy old tit-wank and some expert oral – and then demanded it from me doggy style.

My older lover has offered me money to do her regularly.

Should I go for it?

Teacher's red-hot lessons in lovin'

Dear Ashleigh,

I'm an 18-year-old student and I think I've fallen in love with my teacher.

She's 32 with a great figure and a great personality. I had a problem with a project recently and asked for her help. She soon sorted it out.

Then she asked me if I fancied going for a drink and I happily agreed.

In a quiet country pub, she told me she had a holiday home in Devon and asked if I fancied going for the weekend.

I was delighted but surprised because I knew she was married.

But she told me that her husband worked abroad a lot and was in Germany – so I agreed.

Within minutes of arriving at the cottage, we were stark-naked on a huge double bed.

I started by taking little nibbles of her pussy lips before plunging my tongue into her love-hole.

Then we moved into the 69 position and she took my cock in her mouth and sucked me off.

After a while she stopped and parted her thighs so that I could ease my rock-hard cock into her.

And what a fantastic f*ck she was. We must have shagged a dozen times over the weekend.

But when I got back to college and told a pal, he revealed that he'd been to the holiday cottage too.

I feel as if I've been used. Now she's asked me to go on another dirty weekend. Should I go?

JD, Suffolk

Ashleigh says...

WHY not? Everyone wants to pet the teacher. Just don't get caught!

ALWAYS HOME OF TOPLESS BABES

THE ultimate fantasy which I've never actually done - but would still love to try one day - is sex with two guys at once. It would be super hot to have one of them giving me oral while the other penetrates me. It sounds like quite a tricky position, but I've seen it done in porn films. The girl is on all fours being banged doggy style. I guess the fellas would not have to be coy about getting up close to another cock. And having one bloke licking my clit while the other sucks on my nipples - that really gets me worked up, too! Then, after I'm really relaxed and ready to go, I'd be gagging for a spot of double penetration with my two rampant studs. Oh, and this goes on for hours by the way! I want to be really nasty in the bedroom and do lots of taboo things that some other women might find too much for them. I like the idea of guys releasing their hot, sticky load all over me while talking dirty. It's just so incredibly horny!

NATALIE DENNING

By **SIMON DEAN**

simon@sundaysport.co.uk

NATALIE was born on New Year's Day 1983 and found fame, aged just 20, after romping with Hollywood star Leonardo DiCaprio.

And then telling the world about it!

The Worcester babe also featured on the TV reality series *Poor Little Rich Girls* and went on to pose topless in a string of lads' mags.

She eventually graced the pages of *Sunday Sport* – winning an army of fans.

And Nat also carried on with the celebrity shagging,

reportedly bonking Blue star Simon Webbe, former *Hollyoaks* actor Gary Lucy and playboy Calum Best.

Soon stunning Natalie became a reality show fixture with a central part in the ITVBe series *Life On Marbs*.

Bikinis

She said: "I think the difference is that with this show you have loads of different groups of people."

"It's a mixture of the other reality shows rolled into one."

"And we are all parading around in our little bikinis!"

Natalie, now 35, is married to nightclub tycoon Paul Richardson.

SHOW ME THE HONEY!

WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

DANNI HARWOOD

TRUCKER Nick Pope requested an express delivery of Welsh beauty Danni Harwood.

Nick, 38, from Birmingham says he his lonely nights on the road are eased by pics of the 32-year-old Neath babe.

Danni's 32F norks cover Nick's truck cab and he wanted another for his collection. He said: "I travel every week, so having Danni's pictures to keep me company is a lifesaver."

"She's got it all – cracking figure, gorgeous eyes and pouting lips. I reckon she'd be a right one in bed too!"

KATE JONES

POSTIE Aaron Price has recently split from his girlfriend – but glamour girl Kate Jones is satisfying his needs now.

And Aaron, 32, from Carlisle, says it's like nothing's changed because the 25-year-old Cardiff babe is a dead-ringer for his former flame.

He said: "She looks just like my ex – brunette and curvy with lovely big, pink nipples on her 34D rack."

"I've got tons of pictures of Kate, she's even the screen saver on my laptop. There's just something about her that drives me crazy."

JAYMIE FEATHER

FACTORY foreman Ray Bailey emailed us desperate to see his favourite model Jaymie Feather topless.

Ray, 62, from Sheffield, says he fancies the pants off the 29-year-old Bradford stunna.

Jaymie boasts a 30D handful and Ray said he can't help but ogle them, adding: "Back when I was working, me and the lads would pass photos round the factory floor."

"I remember the first day I clapped eyes on her. I was stiffer than the old, creaky machinery in desperate need of a good oiling!"

50 UP: Jeff Hendrick

Hendrick happy to clock up 50 caps

JEFF Hendrick says he's happy to be back in his best position as he clocks up 50 Ireland caps.

The Burnley midfielder admits he's not been at his best in a green shirt for the past couple of years.

But boss Mick McCarthy has made it clear that he's an important part of the team and will be used in his strongest midfield position.

Hendrick said: "I hear the outside noise and people saying they haven't seen me since the Euros.

"Everyone has their own opinion, but I did play a lot of games not in the position I played in at the Euros.

"For me, I try to give everything for the country, but it's difficult when you're playing in a different position to what you're naturally good at, I'd say.

"I try to do my best for the team, but like I said, it was tough. I was playing on the right, at times I was nearly up front as well, so I was just trying to adapt and just do what I can for the team.

"The manager said it to me when he came in. He said, 'I know you're a central midfielder', so I've played there. I've played there in the games under him and in training as well and I'm enjoying it."

Dream

Hendrick has been a mainstay of the Ireland team since making his debut in February 2013.

And the Clarets ace admits it's a dream come true every time he pulls on a green shirt.

He added: "I always say as a kid my dream was to pull on the Ireland jersey and play for my country and, all going well, hopefully I can get to 50. It is a big thing to me and to my family.

"I've enjoyed it. To play nearly 50 times for your country has been brilliant.

"It has been tough as well at times — we have had some not-so-good games — but I try to remember all the positives from each game and the results that we've got, and there have been some very memorable ones."

Ireland team-mate David McGoldrick fancies Hendrick to join Ireland's 100 club.

He said: "It's a great achievement from a great player."

"He's still quite young — he could get another 50, the way he plays. He's really important to the team."

ALEXIS: I STILL LOVE UNITED

ALEXIS Sanchez says he's still HAPPY that he signed for Manchester United.

The Chile forward has ended what appeared to be a nightmare time at Old Trafford by joining Inter Milan on loan. But he's adamant that he did the right thing when leaving Arsenal for the Reds.

The 30-year-old has moved to the San Siro on a season-long loan and it's hard to see him ever pulling on a United shirt again. Despite being their highest-paid player — on £400,000 per week — he was quickly ditched from the side.

Sanchez knocked in five goals in his 45 appearances for the Reds and cut an increasingly forlorn figure in recent months.

But he's not having it that he should have stayed with the Gunners — or moved to City.

Sanchez said: "I'm very happy I went to Manchester United.

"I've always said that. It's the club that has won the most in England.

"When I went to Arsenal it was fantastic — I was happy there — but United were growing at the time, they were buying players to win something.

"I wanted to join them and win everything. I don't regret going there." But Sanchez did have a

By JOHN ANTHONY

parting shot at United, claiming they didn't give him a chance to play enough games.

He added: "I've always said to my friends I want to play. If they would let me play I'll do my best.

"Sometimes I'd play 60 minutes then I wouldn't play the next game and I didn't know why."

Former United striker Louis Saha says he can't understand why the Reds were quick to dump Sanchez rather than give him a run in the team this season.

With Romelu Lukaku also gone, it leaves boss Ole Gunnar Solskjaer potentially short up front.

Saha said: "It's a strange one. I think Alexis got to a point where his confidence dropped."

Appreciated

"The terms of the agreement show he needed to move.

"He's a great player with an abundance of skills and passion. But he couldn't deliver for United, so having a deal where United pays is a bad deal.

"You would think he could remain there and help the side but mentally it was too exhausting.

"That's why he wanted to move — he didn't feel appreciated.

"It was really hard for him at United. The decision is not sustainable."

Meanwhile, Celtic have signed Ireland youth international Lee O'Connor from United.

The teenager captained the Republic at the Under-19 Euros but has struggled to break into the Reds side.

He said: "It feels surreal at the moment but I'm just looking forward to getting the international break over with and then starting with Celtic.

"I'm a versatile player. I can play anywhere across the back four or midfield if needed."

BROAD UP FOR ROUND TWO

CRICKET: THE ASHES

STUART Broad can't wait to see Jofra Archer get stuck into Steve Smith again.

The Aussie batsman is back in the side after the England speedster floored him in the second Test.

That meant he missed Ben Stokes' heroics that levelled the Ashes with two games to go.

Archer is capable of sending bouncers down at more than 90mph and the pitch at Old Trafford can be lively.

Smith has been Australia's main weapon with the bat, scoring 144, 142 and 92 so far

in the series. Broad knows Archer will be at top pace to welcome him back.

He added: "It's great to have Steve back. No-one wants to see anyone miss cricket through a head injury. But Test cricket is a brutal sport, it's a sport where countries go hell for leather against each other.

"I'm sure when Steve comes in Jofra will be in Joe Root's ear wanting the ball, no doubt about that. Jofra

will be excited to continue that battle.

"There will be a period in this game where those two come together again and touch wood I'm on the pitch to view it. That's the intensity Test cricket brings, that's the theatre.

"I might be stood at mid-on but I'll be excited when Jofra asks for that ball. It was a really tasty bit of cricket at Lord's, Smith was on 70 or 80, playing beautifully, and Jofra went from 84mph to 95mph. He was really charging in.

"That sort of cricket is awe-

some to watch on the telly or from the stands but when you're stood at mid-on it's pretty special. Hopefully we can have a battle like that again."

The one downside for England is the lack of local hero James Anderson with injury.

Broad thinks we haven't seen the end of him.

He said: "He's got a lot of cricket left in him. "From the conversations I've had, he's looking at the winter and getting fit and wanting to be on the trip to New Zealand."

Eriksen: Just let me leave

CHRIS CROSS ABOUT LACK OF SUMMER MOVE

CHRISTIAN Eriksen admits he's frustrated about having to stay at Spurs.

The Dane has made no secret of his desire to leave White Hart Lane.

He has moved into the final year of his contract at Tottenham and clearly has no desire to sign a new one.

Eriksen was hoping to move to one of the big European sides with reported interest from Real Madrid and Barcelona.

But those clubs seem willing to wait until he's available on a free transfer next summer rather than write out a large cheque.

It has left Eriksen in limbo although boss Mauricio Po-

chettino still sees him as an important part of his team.

The Dane wishes the real world was more like the Football Manager computer game so he'd be in charge of his own professional destiny.

He said: "It wasn't wrong to speak out about leaving.

"But it is football and you never know what happens in football. Many things always come into play.

"I wish I could decide just like in Football Manager but unfortunately I can't.

"I know a lot of people are interested in where to play. I understand that well.

"That's the way it is. For

me, it's not been hard to clear my head.

"I don't read much of what is written. And now I have been involved for many years, where there have been many rumours every year.

Surprise

"But it's clear that it's been a little more violent this year because my contract is about to expire.

One player who did leave Spurs this summer is Kieren Trippier who thinks the club were too hasty in shipping him off to Atletico Madrid.

It was a surprise when the Londoners allowed him to leave and they are already paying the price. With Kyle

Walker-Peters injured, central defender Davinson Sanchez had to play right-back and looked all at sea.

Trippier said: "Tottenham probably got rid of me at the wrong time because I just needed a four-week rest for recovery, because I was struggling with injuries, to come back fresh and ready.

"I had a conversation with the manager, a meeting with the chairman to see what my future was and I didn't get the impression that they wanted to keep me. It is football. It happens.

"So, maybe I could have stayed, but I've got no regrets. I'm at Atletico now and I'm just looking to the future."

AUSSIES TO BITE BACK WITH SMITH

AUSTRALIA looked shell-shocked when they came off the pitch at Headingley at the end of a remarkable 3rd Ashes Test — one that will go down in the annals of history as Big Ben's Test with Stokes' 135 not out, arguably, the greatest Test innings of all time.

Stokes should have been given out lbw by umpire Joel Wilson. Had Wilson got that decision correct — or Tim Paine not run out of referrals — the Ashes would be lost and Stokes' innings nothing more than glorious failure. As it stands the series is level at 1-1 with two Tests to go beginning at Old Trafford on Wednesday.

England look likely to shuffle their batting order in Manchester with Joe Denly likely to open allowing Jason Roy to bat four. Australia welcome back Steve Smith but who will make way for the former skipper?

I think Usman Khawaja will be promoted to open with Marcus Harris making way.

England are 7/5 at BetVictor to take a 2-1 lead to the Oval with Australia 13/8 and the draw 27/10. There is light rain forecast for the opening day and more persistent rain for Manchester on Friday. Australia will retain the Ashes with a win but how will Smith — who scored 23 against Derbyshire for the Tourists last week — cope with the pace of Jofra Archer?

Talisman

I wonder if Stokes will be able to hit the heights of Leeds with bat or ball, but I have reservations about Smith. There is no doubt that "Smudger" was taken out of his comfort zone when he was met with a barrage of bouncers by Archer at Lord's.

Let's hope the weather does not intervene. England's batting remains fragile but the GOAT Nathan Lyon disappointed at Headingley — although let's not forget he would have won the series had the hapless Wilson given Stokes out lbw. If Starc plays, he will help Lyon bowl into the rough outside the right-handers off-stump especially in the second innings.

We will be told the momentum is with the hosts, but England rely too heavily on Stokes, Broad and Archer. Remember the Baggy Greens should have beaten England without their talisman Smith in Leeds.

Throughout the Series I have felt lady luck has been with the hosts — if the weather allows a result I feel it will be Australia who take a lead to the capital next week unless Stokes can recapture the miracle of Leeds.

Stokes again gets the vote to be the hosts top scorer. Archer is short — 9/4 at BetVictor — to take most wickets in the first innings but Old Trafford is the quickest wicket in the country and Aussie batters wanting to drive Archer in Manchester need a car not a bat.

The heart says England, but the head says Australia are the better side and should belatedly retain the Ashes in Manchester — weather permitting!

FOURTH TEST TIPS

- Australia to win at 13/8 with BetVictor
- Stokes to be top England top bat at 9/2
- Archer top England bowler at 9/4

Big clubs back transfer shake-up

ENGLISH clubs will have until September to buy players next year.

That's after the Premier League's biggest clubs came together to scrap the current rules.

Only clubs in England's top two divisions were forced to do all their business before the season kicked off.

Teams in Europe have been allowed to buy and sell right until this week.

The idea was that English sides would have their

By JOHN ANTHONY

squads sorted out before the big kick-off.

But it hasn't worked out that way.

Arsenal have lost Henrikh Mkhitaryan to Roma this week, while Manchester United have seen Romelu Lukaku, Alexis Sanchez and Chris Smalling head abroad this week.

Arsenal, Liverpool and Tottenham have now changed their mind and will join forces with the Man-

chester clubs to push the change back through when clubs meet in November.

Jürgen Klopp has been the most vocal manager about the change to August 8 for English clubs.

He wants it equalised across the major leagues.

The German said: "I don't care when it closes, but it must close at the same time."

"That was the idea in the first place."

"They spoke about finishing it before the season starts, good idea, but only

England did it. That makes no sense.

"It was a good idea but it didn't work out."

Tottenham manager Mauricio Pochettino was also unhappy as he faced an anxious wait to see if Christian Eriksen would leave without him being able to bring in a replacement.

He said: "The short window is a big mistake."

"It should be the same date for the whole of Europe so it's fair for everybody in all the countries."
